

Who is the World disability union?

The World Disability Union (WDU) was established in 2011 as an inclusive umbrella organization for 150 sub-organizations from 88 countries with the status of International Qualified Entities. Within the scope of the Convention on the People with Disabilities guaranteed by countries; Disability prevention; Overcoming the disability; within the framework of the WDU Implementation Projects it developed for the inclusion of people with disabilities into the society, it aims at sustainable corporate work and unity with all relevant and competent parties.

* Inclusive advice in marketing: Our general secretary Mr. Heider Arabeh have a good Experience in Marketing and our team has achieved so much for Disability. We can support you in making your marketing

Suitable for everyone.

* Inclusion: Many businesses don't know where to start and are scared of offending disabled people. We can a simple strategy demystify and empower your business to be more inclusive.

Very often the first step towards inclusion is raising awareness internally. We have professional experiences of disability, all of which we can share with you.

What is the World disability union Certification for eligible places for people with disabilities?

It is the first certificate in the world, a certificate in which a set of standards for people with disabilities are evaluated, so that places are eligible for people with disabilities and all institutions around the world have the same evaluation and standards

We, in the world disability union, aim to honor those bodies that have sought to implement international standards to be an environment friendly for people with disabilities and makes it easier for them.

What are the sections of the world disability union for Qualifying Places for People with Disabilities?

The certificate is divided into two parts

1- All disability's

- Gold
- Silver
- Bronze

Depends on the number of points collected in the evaluation

2- Physical

- Gold
- Silver
- Bronze

Depends on the number of points collected in the evaluation

What is the way to apply for the certificate?

The method of applying for the certificate is easy and simple. You only need to enter the World disability union for the Disabled website and fill out [Evaluation Form in the website](#)

<https://worlddisabilityunion.com>

Who is entitled to present the certificate?

All institutions, companies, government departments, or anybody that provides services to the public, for example, City's, Airports, hotels, malls, restaurants, streets.....

How to process the evaluation?

The evaluation process is carried out by visiting the place through the evaluation committee of the World disability union. Points are placed on a set of criteria, with taking pictures and then points are collected and the certificate is determined.

When is the certificate issued?

The certificate is issued after reviewing the evaluated committee's evaluations taking the percentage of the evaluators' scores.

When is the certificate delivered?

The certificate is delivered in a semi-annual ceremony attended by all certificate holders, media and public figures

What is the benefit of obtaining the certificate?

Obtaining the World disability union certificate is proof that the place is qualified to receive people with disabilities and to provide them with a distinctive service

The name of the institution and photos of it will be placed on the official website of the World disability union, so that the disabled people get to know the places that they can comfortably visit

Are there certificates for workers with disabilities in the institution?

A certificate of appreciation and thanks will be issued to them for the services they do for people with disabilities.
